MOMS PROGRAM
Maternity Outreach for Moms

Mission Statement

To create a better, closer and more personal relationship between the pregnant female veteran and her VA Medical Center. To ensure that an adequate supply of baby and personal items are provided to expectant mothers to better assist with the upcoming birth.

Veterans First partnered with the VA to provide items to fill a tote for the new born and a basket for Mom to pamper her feel and know that we all care about her and the baby.

How you can help our Women Veteran Moms and their New Baby.

- Organize a baby shower
- Financial Support that will be spent on items that we are short on.
