HELP REGISTER

Chinese American World War II Veterans for the Congressional Gold Medal

The **Chinese American WWII Veterans Recognition Project** seeks to recognize, honor, and celebrate these largely forgotten men and women who served our country with great dignity and pride. In 2018, as a result of Congress passing and the President signing Public Law 115-337, the Congressional Gold Medal, our nation's highest honor, will be presented to these Veterans—members of America's "Greatest Generation."

WE NEED YOUR HELP! With the passing of each day, our ability and likelihood to locate these Veterans and their families diminishes rapidly. If you know anyone at your workplace, recreational or social gatherings, congregate living facilities, places of worship, even in your neighborhood who is a veteran or a family who had a parent who was, please take this flyer and ask them to register at **www.caww2.org** so they may be considered for this high honor.

If you have questions or need to contact the Project's volunteers, please do so at: **CGMInfo@caww2.org**.
