- **Canvas** - we'll be using a 16x20". If you don't have a canvas, a piece of cardboard cut to size can also work!
- **Acrylic paints** - you'll need Red, Yellow, Blue, Black, White for this version, but feel free to bring your own unique colors into the mix. You can make Green with Blue and Yellow paints and Purple with Red and Blue paints.
- **Easel** - If you have an easel, great, but not needed. You can always lay canvas or boards flat on a table or find something to lean up against.
- **Paint brushes** - A larger brush 3/4" to 1" wide, some type of skinny brush to paint details and something in between.
- **Paint palette** - a paper plate, recycled cardboard or plastic will do
- **Cup of water** - something you can wash easily or dispose of\
- **Paper towels**
- **Protective apron** or old t-shirt to keep your favorite outfits fresh even at home

We look forward to you joining us for this amazing virtual session.
