Description of the Research Study:

This class is part of a research study for 10 to 60 Veterans. Researchers want to understand how making art might change thinking, mood, and social activities of Veterans. During this research you will make pottery and have the option to do art in between classes if you would like.

What this means to you:

Attend one or more Module (6 classes) | Attend 6 classes per module | Fill out a survey
Make art between classes (optional) | All materials are provided | No previous experience required

Participant Eligibility:

Open to Veterans who have not participated in a Veterans Art Course at Arizona Artists Guild or Paradise Valley Community College.
