

THANK YOU FOR YOUR SERVICE. WE'RE HERE FOR YOU WHEN YOU NEED US.

THE PACT ACT is a new law that expands VA health care eligibility and benefits to several generations of Veterans who may not have been eligible before and adds 20+ new presumptive conditions. **This law helps us provide generations of Veterans—and their survivors—with the care and benefits they've earned and deserve.**

MILITARY EXPOSURES

Veterans may have been exposed to a range of chemical, physical, and environmental hazards during military service.
